Straight Foothall.

The college used straight foothall mainly, though a few corward passes were used. The off tachis bucks and end rins of the Aggies were good ground gainers. Wediell and Foute, playing the halfback positions, made many good gains. Holl and Tuttle, as fallback and quarter, respectively, were good ground gainers. The aggie line held well. Powers and Quesemberry, as tachien, played good games.

Thursday was an off day for the college eleven. The same apriri and punch did not characterise their playing as was displayed in the Arizona university game, or the contest with the School of Mines it may be well said that the varsity eleven won by superior playing on Thursday afternoon, but they did not win from a better team judging from the playing of the Agries during the sense of the college took second and hard played took from the playing of the Agries during the sense of the varsity runners won the cross country run over the college team by a scory of 11 to 18. Claiborne, of the varsity, took first place. Foster and fannes, or the college, took second and third places, respectively. Tipton and Boldt, varsity, gained fourth and fifth places, and four characteristy games, or the college, took second and third places, respectively, and Bowman, of the college, took second and the college took second and the college to the college

The New Mexico Aggies met their first defeat at the hands of a contender for the southwestern championship, thursday afternoon when the New Mexico University eleven was able to accore two touchdowns to mas for the college cleven, making the final source is to 6. The games was exceptionally from the first whitele to the last. The men on both teams were playing from the first whitele to the last. The men on both teams were playing from the first whitele to the last. The men on both teams were playing from the first whitele to the last. The men on both teams were work. Very few penalties were called an either side, and those were in every case for off side or some unintentional foul.

The work of the varsity in using the forward pass was exceptionally good. The varsity righthalf, Ayeleotte, proved an excellent passer, and was absolutely sare on his thrown Brarein and Mohl as ends for the University, played brilliant games, completing many of the passes made by Ayeleotte. It was the forward pass that beat the Aggies. ### Decoration for "El Paso Automobile Week" Now Progressing Rapidly

The work of decorating the various show rooms for "El Pase Automobile Week," which spens on Monday, is now well under way and several of the dealers are spending considerable amounts of money on their decorations.

Shipments of show cars are also coming in rapidly. The El Paso Overland Auto company has unloaded the new model 75, announced last week by the Overland company, and scores of visitors looked it over Thankegiving afternoon.

The Southern Motor company will unload the Haynes show cars this afternoon and manager Russek promises that they will create a sensation. The Jeffery models will be here on Saturday.

The Franklin models are already here, as are the Chalmers, Chandlers and Dedges. The Studebakers arrived early in the week and there will be no lack of late models to show the visitors.

To the Water Users and Stockholders Of the El Paso Valley Water Users Ass'n.

A number of matters of the highest importance to the Water Users and Stockholders of this Association must be considered idelinitely within the next few days. The Board of Governors have decided that before taking action in the several matters mentioned, the Stockholders, meaning all those who have subscribed their lands under the Reclamation Act with the Association should be fully consulted.

Therefore, it being of the greatest importance to the interest of the land owners and farmers, a meeting of all Stockholders is hereby called at the Chamber of Commerce on Saturday November the 27th, 1818, at I oclock p. m. It is expected that the Water Users will not forget the importance of the meeting and will not fall to be present.
